Patrons' Club

- You want to support the Conservatives both locally and nationally
- You want to keep right up-to-date with news, speeches and party policy.
- You want to make a contribution which will help fund how we communicate directly with floating voters.
- You want to support campaigning in key marginal seats funded by CCHQ.
- You want to help us fund the implementation of the most effective national campaigns in order to win forthcoming, European and Local Elections.

How will my joining Party Patrons help us?

Unlike Labour, we are not funded by the Trade Unions. Instead, we rely on the generosity of our committed members. We want to build a broad network of donors, who pay regularly by direct debit which allows us to plan our campaigning activities with greater certainty.

Party Patrons will help us to campaign more effectively in a number of ways:

- Transmitting our message right across the country to gain support - for the Conservative Party, there's no such thing as a no-go area.
- Encouraging existing Conservative voters to join the Party
- Millions of people vote Conservative, but we want to attract more members who will champion our cause at local level.

Who are the Party Patrons?

- Committed Conservative supporters with a desire to help.
- Local constituency supporters who also want to ensure that the Party has adequate resources to develop policy and shape the political agenda.
- Business professionals frustrated that Labour's poor record in government has stifled Britain's entrepreneurial spirit and wish to help us get Britain back on track.
- People who want to support our new Conservative Government which is committed to our core values of trusting people and sharing responsibility.
- Conservatives willing to commit to donating £30 a month to Conservative Campaign Headquarters.

We encourage all members to pay by direct debit. This allows the Party to collect regular income that we can rely on when we plan our campaigns.

The Rt Hon The Lord Strathclyde - President Party Patrons

Lady Meyer, CBE - Chairman Party Patrons
